To,
Brandonn Youngs
brandonn.young@email.com
Lone Oak, TX

Date: 18th July 2026

We are pleased to certify that **Brandonn Youngs** served with dedication as a **Security Testing Engineer** at **Vigilante** from **July 18, 2025 to July 17, 2026**, for a full tenure of one year.

EMPLOYMENT DETAILS

- **Position:** Security Testing Engineer
- **Project:** Exertus Autonomous SOC
- **Start Date:** 18-Jul-2025
- **End Date:** 17-Jul-2026
- **Duration:** 1 Year
- **Work Hours:** Full-Time (40 Hours/Week)
- **Mode:** Remote

ROLES & ACCOMPLISHMENTS

- Conducted advanced security testing for the Exertus Autonomous SOC Project.
- Developed novel security protocols for AI-driven threat detection systems.
- Identified critical vulnerabilities in SOC infrastructure and operational workflows.
- Authored comprehensive technical reports and audit documentation.
- Collaborated with engineering and security operations teams to enhance system resilience.

PROFESSIONAL CONDUCT

- Consistently demonstrated high professionalism and integrity.
- Exhibited strong problem-solving and critical thinking skills.
- Maintained strict confidentiality on sensitive data and projects.
- Worked collaboratively and effectively within a diverse team.

RECOMMENDATION & VALUE

- Significantly contributed to the success of the Exertus SOC initiative.
- Possesses a deep understanding of modern security testing methodologies.
- We highly recommend Brandonn Youngs for any subsequent senior security role.

Sincerely,

Fahmida Rehman
